About Us

Founded in 2017, Support Legal is an award-winning boutique law firm based in the UAE, servicing client needs regionally and internationally from our offices in Abu Dhabi and Dubai. We work in collaboration with our clients to help solve their most important business challenges through legal expertise in corporate, finance, commercial, employment, financial regulation and dispute resolution.

We are proud to be the only 'New Law' firm licensed by both the DIFC and ADGM and registered with the Dubai Legal Affairs Department.

Banking & Finance

Our banking and financial services team possess extensive knowledge and sector expertise, collaborating across a broad skill set to deliver innovative solutions to our clients, which include banks, borrowers, sovereign wealth funds, private credit funds, and alternative finance providers.

Leveraging extensive experience in cross-border transactions, our team is adept at helping clients navigate complex transactions and the intricate regulatory and legal landscapes of the Middle East, where common and civil law principles often intersect.

The team is known for being approachable and highly respected due to our experience and regional knowledge. Collaboration with clients is our strength, utilising our vast product expertise and sector knowledge to offer clear and practical advice affordably.

Our Team

Our banking and finance team are all senior lawyers with a wealth of experience gained from top-tier international law firms, investment banks, accountancy firms and multi-national corporations spanning multiple jurisdictions.
